

SAIS has conducted a health camp for students from grade 1-12 and support staff on 15 to 17 Nov 22. Various aspects were looked into like height, weight, dental general health condition. Approximately 1050 students and around 33 staff were screened with the help of doctors from Ayur Foundation for general checkup and doctors from Govt Dental College hyd. The camp was more focused on children's physical health, food habits and oral hygiene.

For support staff
